CLASS OFFICERS

CLASS HISTORY

In the year of our Lord, Nineteen Hundred and forty-three, we started the long journey to our most prized goal--Graduation.

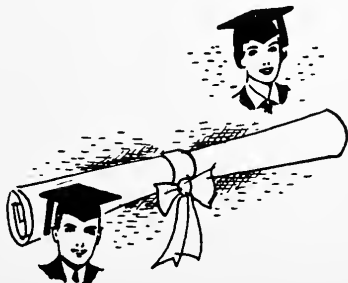

As we look back through the years, we find five of our classmates have spent twelve years at Gray. They are: Sandra Champ, Carolyn Wiley, Maryalice Stanley, Marvin Mock, and Rodney Westlake, Jr. The rest of the class were gained before we started our high school years.

In our Freshman year, Willard McNees was our sponsor. We had two class parties, one at the home of Deloris Shade, and one at the home of Carolyn Wiley. As we were new members of high school, we were initiated with a BOARD.

As Sophomores, Robert Newton had the privilege of being our sponsor. We again had a party at Carolyn Wiley's and one at Sandra Champ's. By this time, we began to wonder about making money. We sponsored a food sale at Portland.

As Juniors, John Mullins was our sponsor. Again, we had our full quota of class parties. We held one at the home of Deloris Shade and the other at Maryalice Stanley's. We planned several projects for making money. Among these were: ball-game concessions, calves, selling magazine subscriptions and Christmas cards, and sponsored a ball game.

At last, we have reached our Senior year. Mr. Rankin and Mrs. Reynolds are our sponsors. We had our Christmas party at Mrs. Reynold's home, and everyone had a most joyous time. We've worked hard this year for the things we feel make high school complete. We started an annual and have worked industriously to finish it. We have planned a class trip to New York and Washington. But most of all, we are looking forward to May 4... the night of our graduation. And each breathes a sigh of relief, "We made it!"

SENIOR CLASS POEM

We have reached the day of parting,
And our hearts are full of grief,
While we're sobbing, our teachers are saying,
"Goodness, what a RELIEF!"

Let us look into our school years,
And remember those we've met,
And as we journey on life's highway,
"Backward gaze, lest we forget".

Monna Lou Bechdolt is first on our list,
A student that Gray High is certain to miss,
High in intelligence and winning ways,
Her life will consist of happy days.

Ronald Kerrigan, a studious lad,
In history is a whiz,
Good in sports, and good in class,
A swell fellow he is.

Wedding bells enter Phyllis Louck's mind
As on her way she will go,
In a merry month of '55,
She will become Mrs. Kenneth Crow.

Larry Louck, the class comedian,
We wonder if he's sound,
He's always playing jokes on someone,
When will he settle down?!?

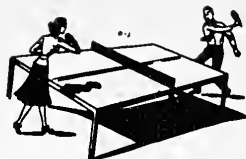

Wanda James, a silent lass,
Is very sweet indeed,
Although bashful, very pleasant,
In friends she will always lead.

Donald DeBoy, our ROMEO,
Can be very coy,
He gets mysterious letters,
And we call him LOVERBOY!

Sandra Champ, a gay young miss,
Has abilities beyond measure,
But when it comes to seriousness,
Sandra's all for pleasure.

Russell Love, our athlete,
Is just a little guy,
But when it comes to joking,
He's never very SHY!

Next on our list is Mary Alice Stanley,
Very intelligent is she,
Always friendly, never angry,
A grand nurse she will be.

We have a boy with two first names,
We know him best as "Teddy",
But call him "Lewis" or call him "Ted"
You'll find him always ready.

A lovely person is Rose Evans,
And in her winning way,
Will become very successful,
And perhaps a model someday.

Among the many qualities,
Which make Don a SENSATION,
You must include that Hudson,
Provides nice transportation.

Gertrude Screeton, a true friend,
And also very smart,
No matter what the decision,
She's willing to do her part.

Rodney Westlake is our shy guy,
He's always been that way,
But when the occasion calls for it,
Then Rodney has his say!

Deloris Shade, a loyal Senior,
Very fair and kind,
Wherever she goes, whatever she does,
She keeps her class in mind.

In basketball and baseball,
The school will miss this socker,
Sure, you know the one we mean,
That Senior boy--Jack Stocker.

A native of Gray is Carolyn Wiley,
And it's surely a cinch,
That in the near future,
She will become Mrs. Glen Finch.

Marvin Mock, now what can I say,
That hasn't been said before?
He's tall, dark, and handsome,
Do I need to say anymore?!?

There is one among us,
Who is always happy as a lark,
Why, that's Nora Bristow,
But she's soon to be Mrs. Jack Tharp.

Let us remember each of our classmates,
As upon life's path we trod,
May each life be filled with happiness,
As we grow closer to God.

 If Don DeBoy couldn't go to Portland?
 If Nora Bristow ever lost an argument?
 If Don Hudson didn't drive a convertible? Zooooooooom!
 If Phyllis Louck were ever in class on time?
 If Jack Stocker didn't like a certain Soph. girl?
 If Sandra Champ didn't say the right thing at the wrong time?
 If Marvin Mock didn't blush?
 If Carolyn Wiley could concentrate on school?
 If Rodney Westlake couldn't sleep in government class?
 If Deloris Shade would let her hair grow?
 If Ronald Kerrigan weren't good in history?
 If Monna Lou Bechdolt couldn't go skating?
 If Ted Lewis were ever in a hurry?
 If Maryalice Stanley didn't like baseball? (White Sox)
 If Larry Louck ever made up his mind about girls?
 If Gertrude Screeton couldn't go to Redkey to watch T.V.?
 If Mr. Metz ever said what he meant?
 If Mr. Sprague couldn't tell jokes in class?
 If Mr. Rankin weren't a grand guy?
 If Mrs. Casterline could keep her English Class on the subject?
 If Mrs. Stock couldn't wear bright colors?
 If Mrs. Reynolds didn't have last period study hall?
 If Juniors couldn't flirt?
 If Sophomores acted their age?
 If Freshmen weren't considered green?
 If Seniors weren't the best class Gray has ever had?
 If Gray School had a gymnasium?
